President's Message

A warm welcome to everyone joining us for this year's Clunderwen and District Young Farmers Show. It is a tremendous honour to have been invited to serve as Presidents for this special event. The show continues to thrive thanks to the dedication of an incredible group of committee members who work tirelessly behind the scenes to bring everything together, along with the invaluable support of our volunteers and helpers.

It is always such a joy to see the community come together in celebration—whether taking part, supporting friends and family, or simply enjoying the day. A heartfelt thank you to the Young Farmers for all their efforts, and our sincere thanks once again to Marc and Eleri Williams for providing such a perfect venue, year after year. We wish every competitor the very best of luck.

May today be filled with success, laughter, and wonderful memories for everyone involved.

Thank you.

Chairman's Message

It gives me immense pleasure and a great sense of pride to extend a warm welcome to you all – our cherished exhibitors, enthusiastic visitors, dedicated volunteers, and invaluable sponsors – to the Clynderwen Show 2025!

As Chairman, it is an honour to see our community come together once again to celebrate the very best of rural life, agriculture, and local talent that our wonderful corner of Pembrokeshire has to offer. The Clynderwen Show has a rich history, a testament to the enduring spirit of our community, and each year, we strive to build upon that legacy, making it an event that truly captures the heart of our rural heritage.

This year, we are particularly excited to showcase a diverse array of competitions, from the impressive livestock displays that are the backbone of our agricultural tradition, to the vibrant horticultural entries, the nostalgic vintage machinery, and the creative skills on display in our various craft and produce sections. There truly is something for everyone to enjoy, whether you are competing, learning, or simply soaking up the fantastic atmosphere.

None of this would be possible without the unwavering dedication of so many. My heartfelt thanks go to our tireless committee members and volunteers, who work tirelessly behind the scenes to organise every detail of this magnificent event. Their passion and commitment are the driving force behind the Show's success. We are also incredibly grateful to the landowners for generously hosting us once again, and to all our sponsors whose vital support helps us to put on such a spectacular day.

The Clynderwen Show is more than just a day out; it's a vital gathering that strengthens our community bonds, fosters understanding between urban and rural life, and provides a platform for our local farmers and businesses to connect and thrive. It's a place where generations come together, where old friendships are rekindled, and new memories are made.

I encourage you all to explore everything the Show has to offer, support our trade stands, admire the hard work of our exhibitors, and simply enjoy a wonderful day out with family and friends. Let's celebrate our achievements, embrace the camaraderie, and look forward to a day filled with laughter, excitement, and a true appreciation for our agricultural roots.

Thank you for being a part of the Clynderwen Show 2025. I look forward to seeing you all there! Warmest regards.

CALF SHOW / SIOE LLO - START TIME 12.15pm. Chief Steward: TBC

NOTE TO ALL EXHIBITORS: Exhibitors MUST bring the relevant cattle passports to the show for all cattle as Movement Cards will be taken out from every passport and sent on to BCMS. The show will operate under current APHA/DEFRA regulations. All exhibitors, stockmen, judges & all other persons who handle animals or animal products require on leaving the animal area to cleanse and disinfect their footwear & dispose of any disposable clothing or change/cleanse & disinfect any clothing.

THE CLYNDERWEN & DISTRICT YF SHOW SOCIETY IS EXEMPT FROM PRE-MOVEMENT TESTING
The Exemption from Pre-Movement Testing remains for shows where the cattle are not housed and are present for less than 24 hours. Pre-movement Testing is required where cattle are moved to shows that are held on multiple days and/or where cattle are housed.

For shows in Wales no cattle are to be housed i.e. in a covered area with or without sides this includes marquees.

Any show where animals are sold or moved to premises other than the premises of origin or direct slaughter, continue to require Pre-Movement Testing, as before AND THAT Bovine TB has significant potential to disrupt and cause long lasting financial consequences to your business, so prevention from infection should always be your priority. All Cattle owners are recommended to undertake Pre-Movement Testing and ideally also voluntary post-movement testing of animals, to safeguard the health and high value of stock attending shows.

CATTLE PASSPORTS

The passport must accompany the animals and remain on the Showground for the duration of the animals' attendance. The movement to and from the Show should be entered on the passport.
