President's Message

It is a privilege and pleasure to
Welcome everyone to Clunderwen
and District Young Farmers Show
this year. We are honoured and
delighted to serve as show
presidents for today.

Having been involved previously
with the YFC and with the show for
many years we appreciate the hard
work that goes in to making the day
a success.

A huge thank you to the gang of
volunteers who work tirelessly to
make the show possible and all who
support the show in so many other
ways – judges, competitors,
stewards and the trade stands.

Also thank you to Eleri and Marc
Williams who provide the ideal
venue for it all to
take place.

Wishing everyone a
successful and
enjoyable day.

Thank you.

Chairman's Message

It gives me immense pleasure and a great sense of pride to extend a warm welcome to you all – our cherished exhibitors, enthusiastic visitors, dedicated volunteers, and invaluable sponsors – to the Clynderwen Show 2026!

As Chairman, it is an honour to see our community come together once again to celebrate the very best of rural life, agriculture, and local talent that our wonderful corner of Pembrokeshire has to offer. The Clynderwen Show has a rich history, a testament to the enduring spirit of our community, and each year, we strive to build upon that legacy, making it an event that truly captures the heart of our rural heritage.

This year, we are particularly excited to showcase a diverse array of competitions, from the impressive livestock displays that are the backbone of our agricultural tradition, to the vibrant horticultural entries, the nostalgic vintage machinery, and the creative skills on display in our various craft and produce sections. There truly is something for everyone to enjoy, whether you are competing, learning, or simply soaking up the fantastic atmosphere.

None of this would be possible without the unwavering dedication of so many. My heartfelt thanks go to our tireless committee members and volunteers, who work tirelessly behind the scenes to organise every detail of this magnificent event. Their passion and commitment are the driving force behind the Show's success. We are also incredibly grateful to the landowners for generously hosting us once again, and to all our sponsors whose vital support helps us to put on such a spectacular day.

The Clynderwen Show is more than just a day out; it's a vital gathering that strengthens our community bonds, fosters understanding between urban and rural life, and provides a platform for our local farmers and businesses to connect and thrive. It's a place where generations come together, where old friendships are rekindled, and new memories are made.

I encourage you all to explore everything the Show has to offer, support our trade stands, admire the hard work of our exhibitors, and simply enjoy a wonderful day out with family and friends. Let's celebrate our achievements, embrace the camaraderie, and look forward to a day filled with laughter, excitement, and a true appreciation for our agricultural roots.

Thank you for being a part of the Clynderwen Show 2026. I look forward to seeing you all there! Warmest regards.

17. Equine Influenza - The Society strongly advises that owners of all equines other than foals under 6 months old taking part at the Show, have all entries properly vaccinated against Equine Influenza. Please consult with your private veterinary practice with regard to the correct vaccination process and schedules this should include boosters for your individual animals. All horse owners must act responsibly and all entries must be fit and well, showing no signs of illness, or having shown no signs of illness within the previous 10 days. If you have concerns, please check with your private veterinary practice. Please practice good bio-security measures and exhibitors are reminded that they attend Clynderwen & District YF Show at their own risk, with consideration given to the potential disease risks. Please note this guidance is subject to change. Vaccination rules can differ between events and gatherings. You should confirm vaccination requirements with event organisers or the relevant governing body.

Guidance for event organisers and show season activity

Organisers of equestrian events and gatherings should ensure that:

Appropriate biosecurity measures are in place, and they have carried out risk assessments. This will minimise the potential for disease transmission.

Other measures may include:

Vaccination requirements for attending horses ensuring facilities are properly cleaned and disinfected promoting good biosecurity and hygiene practices among participants

18. Clynderwen & District YF Show Society run and operate the following policies and procedures: Health & Safety; Child Protection; Vulnerable Adults at Risk; Lost Children; Data Protection; Lost property.
19. NO EXHIBIT PREVIOUSLY SHOWN AT THE SHOW CAN BE SHOWN AGAIN IN THE HORTICULTURAL SECTION.

CALF SHOW / SIOE LLO - START TIME 12.15pm.

Chief Steward: TBC

All Cattle classes (Dairy/Beef) have been kindly sponsored by Dewi Evans AI & RMS

NOTE TO ALL EXHIBITORS: Exhibitors MUST bring the relevant cattle passports to the show for all cattle as Movement Cards will be taken out from every passport and sent on to BCMS. The show will operate under current APHA/DEFRA regulations. All exhibitors, stockmen, judges & all other persons who handle animals or animal products require on leaving the animal area to cleanse and disinfect their footwear & dispose of any disposable clothing or change/cleanse & disinfect any clothing.

THE CLYNDERWEN & DISTRICT YF SHOW SOCIETY IS EXEMPT FROM PRE-MOVEMENT TESTING

The Exemption from Pre-Movement Testing remains for shows where the cattle are not housed and are present for less than 24 hours. Pre-movement Testing is required where cattle are moved to shows that are held on multiple days and/or where cattle are housed.

For shows in Wales no cattle are to be housed i.e. in a covered area with or without sides this includes marquees.

Any show where animals are sold or moved to premises other than the premises of origin or direct slaughter, continue to require Pre-Movement Testing, as before AND THAT Bovine TB has significant potential to disrupt and cause long lasting financial consequences to your business, so prevention from infection should always be your priority. All Cattle owners are recommended to undertake Pre-Movement Testing and ideally also voluntary post-movement testing of animals, to safeguard the health and high value of stock attending shows.

CATTLE PASSPORTS

The passport must accompany the animals and remain on the Showground for the duration of the animals' attendance. The movement to and from the Show should be entered on the passport.
